BARSELE MINERALS ANNOUNCES \$2 MILLION PRIVATE PLACEMENT

January 20, 2021 – Vancouver, BC: Barsele Minerals Corp. (TSX.V:BME) (the “Company” or “Barsele”) is pleased to announce that the Company intends to undertake a non-brokered private placement financing (the “Offering”) to raise aggregate gross proceeds of up to \$2.0 million from the sale of up to 3,076,924 common shares of the Company (the “Shares”) at a price of \$0.65 per Share.

The Company intends to use the net proceeds from the Offering for working capital requirements and other general corporate purposes.

The Offering is anticipated to close on or about January 29, 2021 (the “Closing Date”). The closing of the Offering is subject to certain conditions, including but not limited to, the approval of the TSX Venture Exchange and certain other conditions customary for a private placement of this nature. All securities issued pursuant to the Offering will be subject to a statutory four month and one day hold period from the Closing Date.

The Company has agreed to pay a finder’s fee in respect of those purchasers under the Offering introduced to the Company by certain persons (each a “Finder”). Each Finder will receive a cash payment equal to 6% of the gross proceeds received by the Company from purchasers under the Offering who were introduced to the Company by such Finder.

The securities described herein have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities laws, and accordingly, may not be offered or sold within the United States except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This press release does not constitute an offer to sell or a solicitation to buy any securities in any jurisdiction.

About Barsele Minerals Corp.

Barsele is a Canadian-based junior exploration company managed by the Belcarra Group, comprised of highly qualified mining professionals. Barsele’s main property is the Barsele Gold Project in Västerbottens Län, Sweden, a joint venture with Agnico Eagle. FORWARD LOOKING STATEMENTS

This news release may contain forward-looking statements, including, but not limited to, statements with respect to the receipt of approvals for the Offering, closing of the Offering, use of proceeds of the Offering, timing and content of upcoming work programs, geological interpretations, receipt of property titles, potential mineral recovery processes, etc. These statements reflect management's current estimates, beliefs, intentions and expectations; they are not guarantees of future performance. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. Such factors include, among other things: risks and uncertainties relating to exploration and development, the ability of the Company to obtain additional financing, the need to comply with environmental and governmental regulations, fluctuations in the prices of commodities, operating hazards and risks, competition and other risks and uncertainties, including those described in the Company's financial statements and management discussion and analysis ("**MD&A**") available on www.sedar.com. The risk factors identified in the financial statements and MD&A are not intended to represent a complete list of factors that could affect the Company. Actual results may differ materially from those currently anticipated in such statements and the Company undertakes no obligation to update such statements, except as required by law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
